We need more staff members, especially cleaners, typesetters and editors.
They must be strong, persistent, obstinate, cute, furry...and be talented singers
Not only that, they must have an M personality! You must submit to us so that we can take over the world!
It is time for us to admit that we need more help.
Point Five: Once the Seniors left
More help? Does this mean I will get more smut instead of the boring, sloppy shoujo I've been getting?
If you are cute or you like spamming our FB wall, you are especially welcome to join MS.

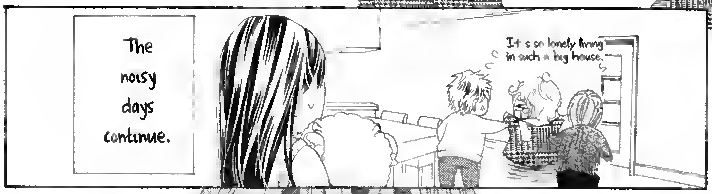
ICHIGO



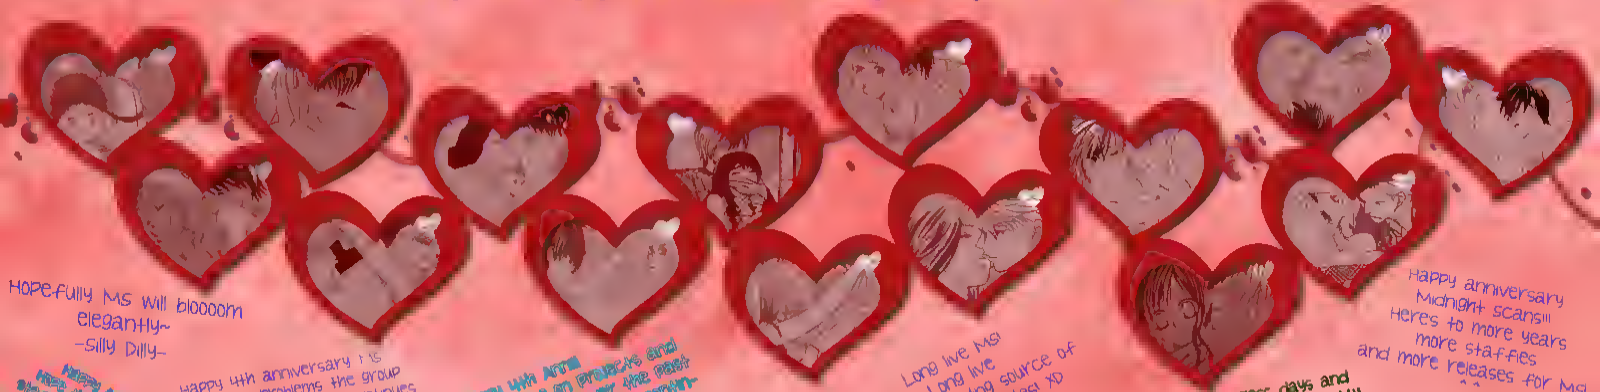
The noisy days continue.
It's so lonely living in such a big house...

Isn't this great?
Ahhh
Although the days are not always filled with joyous occasions,
the memories of each day are my treasures.

From now on until eternity,
I love you, Momo-chan!
The End. Thank you so much for your support!

Happy 4th Anniversary, Midnight Scans!!!

Hey, y'all, it's MS's 4th, long overdue anniversary!
First thing, I gotta apologize for the tardiness!!
Life is seriously unimaginable when you are a teacher/student and worst,
this year's real life has really impacted the staffs one by one. It's been crazy here.
We keep losing staffs -not to ortiz's whipping- but to RL...
Thanks to all the fangurls who has been with us thick and through. Yourve been awesome!!
Especially the ones who really tried their best not to pound on us about our projects...thanks for being super-patient with us. That is the best love yourve given us!!
To all the staffs (specially the old ones), muchos gracias, super thanks to you guys for still sticking with MS, especially since you see me going poof on and off and even missing for a few months.
Hope you all will enjoy the Anni releases; I tried my best to get it all out this December :D



HOPE-fully MS Will blooooom elegantly~
-Silly Dilly-

Happy Anni
Hope that all the staffs stay healthy and thanks to all the readers for the support

Another year of sleepless days and nights should voodoo dolls and an itchy pushing herself and us past the bounds of sanity...so a pretty typical year at MS.
(if you think the MAS stand for Midnight scans.
you're sorely mistaken.)
- megaera

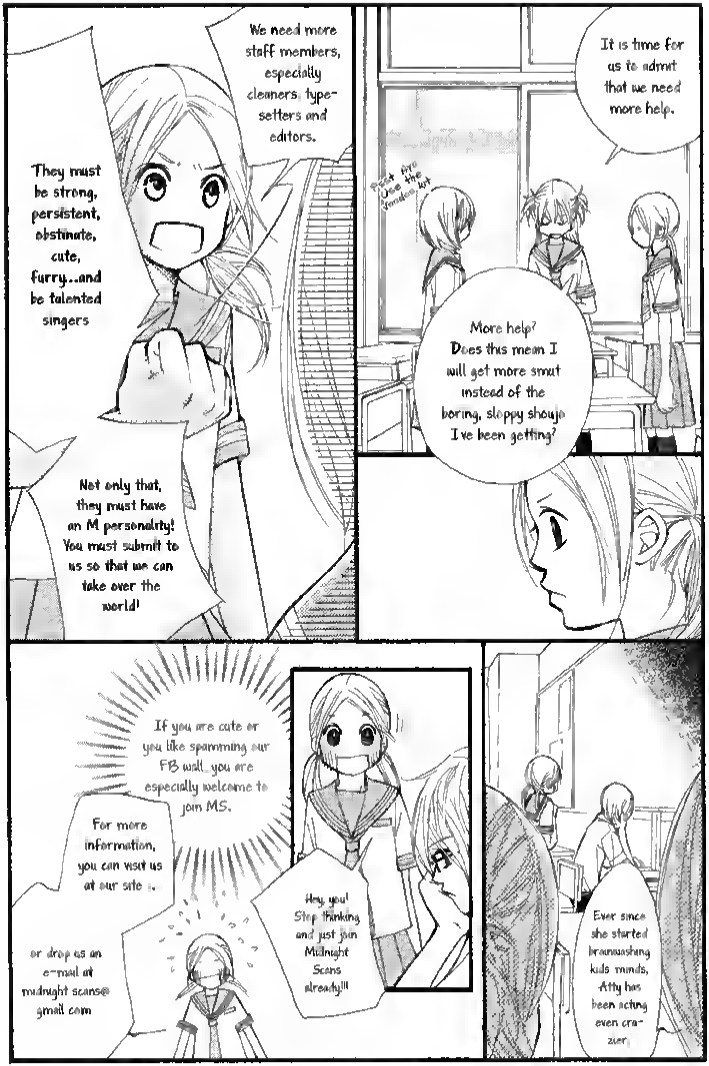
MidnightScans
http://www.scanfr.net/mss/



We need more staff members, especially cleaners, typesetters and editors.
They must be strong, persistent, obstinate, cute, furry...and be talented singers
Not only that, they must have an M personality! You must submit to us so that we can take over the world!
It is time for us to admit that we need more help.
Point Five: Once the Seniors left
More help? Does this mean I will get more smut instead of the boring, sloppy shoujo I've been getting?
If you are cute or you like spamming our FB wall, you are especially welcome to join MS.
For more information, you can visit us at our site :-
or drop us an e-mail at midnight scans@ gmail com
Hey, you! Stop thinking and just join Midnight Scans already!!!
Ever since she started brainwashing kids minds, Atty has been acting even crazier.
